

Candidate for EVAA Vice-President

Arthur Kimber

Nominated by British Masters Athletic Federation

Personal Background

Date of birth 09.12.1936
Marital status Married, one son, one daughter
Education B.A. King's College, University of London
M.Sc. Birkbeck College, University of London
Profession Teacher, Grammar School Head of Sixth Form for 21 years

Experience in athletics

- Competition from school and university days until the present, mainly in track and field, (middle distance), indoor and outdoor, with a substantial amount of road running and some cross country, at all levels from club to international
- Competed in 20 EVAA and WMA championships, winning four individual medals, one silver and three bronze
- Officiating – UK Athletics starter/marksman since 1983, active every year since then, mainly as a marksman
- Coaching – UK Athletics coach (middle distance) since 1977 – not coaching at present
- Management – Life member, past chairman (four years) and past president (six years) of my local club, currently club records statistician
I have organised track and field meetings from club to national level for 30 years; I have worked as team manager for my local and regional clubs and as an assistant manager for British teams at EVAA and WMA championships
- Current posts – Chairman and track and field secretary of my regional club
England Athletics Masters Association track and field secretary
British Masters Athletic Federation chairman, previously vice-chairman

Aims as a Council member

- To put my full commitment, energy and best efforts into my work
- To work closely with the other members of the Council and carry out my duties in cooperation with them
- To be approachable to athletes and affiliates and be prepared to listen sympathetically to their concerns
- To make our movement better known to athletes and the wider world
- To encourage more veterans into athletics and our very competitive and friendly EVAA events
