

European Best Veterans 2007

Best Male Veteran

Carl-Erik Särndal, SWE born 170737 (M70).

In 2007 he has bettered the world record outdoors in High Jump M70 from 152 to 159.

In the WMA Championships in Riccione he won M70 High Jump with 156, 16 centimetres before the second man.

In the European Veteran Championship Indoors in Helsinki, FIN he was the oldest competitor in M65 High Jump but nevertheless he won with 156.

He has dominated High Jump in M65 the last five years with victories in World and European Championships (European Record in M65 with 161).

In 2007 he is superior in High Jump to the other veterans in his age class M70 and has outclassed the old World Record.
