

# EUROPEAN VETERAN INDOOR RECORDS 2010

compiled by Ivar Söderlind, statistician of EVAA 07.10.2010

In 2010, up to July 10, I have noted 42 new European Indoor Records and 34 of these records also are World Records or better than the official World Records.

In WMA Championships in Kamloops, CAN March 1-6, I have noted eight new European Indoor Records and six of these Records also are World Records. Four of the World Records in Kamloops were brought in Weight Throw.

In our next Indoor Record List I will change the Indoor Records because of new equipments, weights and also new age factors for scoring Combined Events (Pentathlon. WMA's decided changes in the rules for veterans were then implemented from May 1 2010. In K75+ the weight in Shot Put dropped from 3.0 kg to 2.0 kg and in weight throw it dropped from 5.45 to 4.0 kg. The old records in these two events will be left up until it is better results with the new weights.

I and Ove Edlund, my statistician colleague in Sweden, are still busy working with European Record lists for Pentathlon. Please report the results for all events not only the points! In our next Indoor Record list we will present updated Records for Combined Events scored with the new age factors.

Observe that for Weight Throw it always must be Weight Throw indoors, not outdoors in an Indoor Championship!! When two or more results are noted in one age group and event the first noted result is the official record. Only results with all tasks reported (Birth Date, Date and Place for the Competition) are approved as official records. Only electronically timing is accepted for distances up to and including 400m. For distances from 200m and more the track round must be 220yards (201.168m) or shorter.

Please check the list given below and help me to make it more complete (i e Pentathlon Records). All new records must be reported by a Record Application (preferably EVAA:s Record Application)! Take copies of the application from the EVAA Web Site and also send me a copy of the result lists. Results from European Veteran Championships - EVAC (Stadia/Non Stadia/Indoors) and results from WMA Championships are not necessary to report to me. I also have control over the results from international competitions figuring in the IAAF Calendar.

# = The track round is more than 220 yards (201.168m) (no official record).

**\* = new records 2010**

EVC = record noted in European Veteran Athletic Championships Indoors

WMA = record noted in WMA Championships Indoors

Welcome to the Official EVAA Web Site: "www.evaa.ch"!
