

EUROPEAN VETERAN INDOOR RECORDS 2009

compiled by Ivar Söderlind, statistician of EVAA 25.07.2009

In this Record List I have in 2009 noted 49 new European Indoor Records and 22 of these Records also are World Records or better than the official World Records. 30 of the new Records were noted in the European Veteran Athletic Championship Indoors in Ancona, ITA March 25-29.

I and Ove Edlund, my statistician colleague in Sweden, have been busy working with European Record lists for Pentathlon. In this list we again present updated Records mostly based on WMA and EVAA Indoor Championships.

Observe that for Weight Throw it always must be Weight Throw indoors, not outdoors in an Indoor Championship!! When two or more results are noted in one age group and event the first noted result is the official record. Only results with all tasks reported (Birth Date, Date and Place for the Competition) are approved as official records. Only electronically timing is accepted for distances up to and including 400m. For distances from 200m and more the track round must be 220yards (201.168m) or shorter.

Please check the list given below and help me to make it more complete (i.e. Pentathlon Records). All new records must be reported by a Record Application (preferably EVAA:s Record Application)! Take copies of the application from the EVAA Web Site and also send me a copy of the result lists. Results from European Veteran Championships - EVAC (Stadia/Non Stadia/Indoors) and results from WMA Championships are not necessary to report to me. I also have control over the results from international competitions figuring in the IAAF Calendar.

= The track round is more than 220 yards (201.168m) (no official record).

* = new records 2009

EVC = record noted in **European Veteran Athletic Championships Indoors**

WMA = record noted in WMA Championships Indoors

Welcome to the Official EVAA Web Site: "www.evaa.ch"!
