

EUROPEAN VETERAN INDOOR RECORDS 2009

28.02.2009

Compiled by Ivar Söderlind, statistician of EVAA

In 2008 I have noted 78 new or modified European Indoor Records and 45 of these Records also are World Records. 50 of the Records were noted in WMA Championships in Clermont Ferrand, FRA March 17-22.

I and Ove Edlund, my statistician colleague in Sweden, have been busy working with European Record lists for Pentathlon. In this list we present updated preliminary Records mostly based on WMA and EVAA Indoor Championships.

The results from W65+ 3000m in WMA Indoor Championship in Linz March 15-20 2006 can not be considered for records. The number of laps that the athletes ran can not be verified and therefore a record can not be accepted. Observe also that for Weight Throw it always must be Weight Throw indoors, not outdoors in an Indoor Championship!!

When two or more results are noted in one age group and event the first noted result is the official record. Only results with all tasks reported (Birth Date, Date and Place for the Competition) are approved as official records. Only electronically timing is accepted for distances up to and including 400m. For distances from 200m and more the track round must be 220yards (201.168m) or shorter. I have noted if the European Records in this list are World Records or better than the Official World Records.

Please check the list given below and help me to make it more complete (i.e. Pentathlon Records). All new records must be reported by a Record Application (preferably EVAA:s Record Application)!

= The track round is more than 220 yards (201.168m) (no official record).

*** = new or modified records 2008 and 2009**

Welcome to the Official EVAA Web Site: "www.evaa.ch"!
